---	---

Dear Sirs,

**Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

We wish to inform that the Company is complying with various directives issued by Central/State/Municipal authorities on outbreak of COVID-19 pandemic. We are submitting below a brief update on the operations of the company :

Most of the manufacturing units of the company are in production to manufacture essential commodities like edible oils and soya food products in line with the guidelines from the Central and State Governments. The capacity utilization of the plants has been affected due to various factors like unavailability of labour, disrupted supplies of packing material, delays in port clearances for crude edible oil, limited availability of trucks and tankers for movement of raw material and finished goods and subdued availability of soya/mustard seeds for our crushing plants.

We have put in place various measures on social distancing and precautionary hygienic practices for the safety of people employed in manufacturing facilities and on-ground operations. We have also obtained Life insurance cover for such employees in addition to existing medical health insurance.

Though the Distribution & Supply Chain network has been impacted but we are ensuring the movement of edible oils and soya food products to the consumers as per Government guidelines. We are trying our best to ensure uninterrupted supplies of edible oils and soya food products across channels viz. General Trade, Modern Trade and E- Commerce for the benefit of our consumers.

We have ensured to purchase the palm fruits produced by around 10,000 farmers across different states for processing in our palm oil mills.

We may further mention that our operations are not much impacted due to COVID – 19 pandemic. However, the financial impact, if any of the pandemic is not ascertainable at this stage.

This communication is in compliance with Regulation 30 of the SEBI (Listing Regulations and Disclosure Requirements) Regulations, 2015.

Thanking you,  
Yours Faithfully,

For Ruchi Soya Industries Limited
